# ABSTRACT SUBMISSION

As part of the **XII Liquid Biopsy Symposium**, the organizing committee aims to encourage the active participation of young researchers through a poster and oral presentation competition featuring original research in the field of liquid biopsy.

## TERMS & CONDITIONS

---

Submission of an abstract to the competition constitutes full and unconditional acceptance of the following terms and conditions:

- Abstracts with **clinical, translational, or basic research content** in the field of liquid biopsies will be accepted.
- Abstracts should contain fully or partially original results from ongoing or completed work. However, the core body of the results should consist of unpublished data.

**Submitting an abstract and having it accepted entitles the first author to free registration.**

## SELECTION OF ORAL PRESENTATIONS & AWARDS

---

Abstracts will be evaluated by a panel of experts, who will select **10 abstracts for oral presentation** during the Symposium (8-minute presentation followed by a 2-minute Q&A session). Authors of the selected abstracts will be notified by email in advance. All other accepted abstracts will be presented as posters and will be eligible for the Best Poster Award.

### **Posters:**

Posters will be displayed throughout the three-day Symposium. Poster dimensions must be 120 cm (height) × 90 cm (width). Please ensure your poster follows these specifications.

**Poster defense session:** This poster defense session will be held on Friday, January 29th, from 7:00p.m to 8:00p.m., following the selected oral presentation sessions. During this period, poster presenters must be present at their posters to discuss their work with attendees and the evaluation committee. Posters whose presenting authors are not present during the session will not be eligible for evaluation.

**Awards:** Awards will be presented for

- **Best Poster** – 300€
- **Best Oral Presentation** – 500€

Award winners will be announced during the closing ceremony.

## INSTRUCTIONS FOR ABSTRACT SUBMISSION

---

- Each abstract must be submitted individually.
- Abstracts must be submitted in English.
- Any references to **patients** or their family members that could reveal personal information or identity must be omitted.
- Abstracts must be submitted through the **abstract submission platform** available on the symposium website. [SUBMIT HERE](#)
- **Title:** maximum 20 words.
- **Authors:** Please list the presenting author first. This author will be the primary contact for all communications from the Technical Secretariat.
- **Summaries:** maximum 800 words. The abstract should include the following sections: Introduction, Objectives, Methodology, Results, and Conclusions. Do not include the title or author names in the abstract text field.

Before submitting your abstract, the system will ask you for a username and a password with which you will be able to: submit further abstracts, edit your abstracts until the submission deadline, and edit your registration data.

Authors will be notified of the Scientific Committee's decision by email.

### IMPORTANT

Registration for the symposium will be waived for authors who submit an abstract. Please note that this benefit does not include access to the networking event.

## DEADLINE FOR SUBMISSION

**November 26th, 2026**

The Scientific Committee encourages all eligible participants to submit their abstracts. For any inquiries, please contact the Technical Secretariat: [congresos@tacticmd.net](mailto:congresos@tacticmd.net)
