

GRACE IN PRACTICE: FROM OPERATIONAL CHALLENGES TO CARDIO-ONCOLOGY SOLUTIONS

14:15h - 15:45h – 13th November – Room 3

Chairs:

Prof. Leandro Pecchia. Università Campus Bio-Medico di Roma. GRACE project Coordinator.
Paula Curras. European Projects Mgmt Office Coordinator | INNOVA & European Projects Office | Integrated Health Solutions
Raúl Moreno. Head of Cardiology department, La Paz University Hospital.

Agenda

Welcome and objectives

GRACE Overview.
Prof. Leandro Pecchia

Medtronic remote monitoring ecosystem: current capabilities and future opportunities (interactive discussion)
Paula Curras

Heart Failure Use Case.
Speaker: Dr. Herminio Morillas, Cardiologist, Heart Failure and Cardio-Oncology Units, Bellvitge University Hospital, Barcelona.

Atrial Fibrillation Use Case.
Speaker: Dr. Cristina Molina Hidalgo, Arrhythmia Unit, Hospital Universitario Clínico San Cecilio, Granada.

Cardio-Oncology Use Case.
Speaker: Dr. Teresa López-Fernández, Cardio-Oncology Unit, La Paz University Hospital, Madrid.

Joint Discussion: Defining Innovation in the Cardio-Oncology Remote Monitoring Pathway
